14th Street

April Newsletter

These past couple of weeks, 14th Street has experienced both a profound loss and a meaningful new beginning.

We are deeply saddened to share that Kevin Passe has passed away. He was such an important part of our community, bringing his own unique spirit, presence, and connections that will not be forgotten. Kevin's absence is felt by many, especially by those who shared close and meaningful relationships with him. We hold space for Jesse, Conner, Diego, and Ben, who were especially close, recognizing that grief can take many forms and that support, patience, and compassion are essential during this time.

We would also like to recognize and sincerely thank our staff, who cared for Kevin with compassion, dignity, and respect through every stage of his journey. Their commitment, kindness, and presence, especially in the final days, reflect the heart of what our organization stands for. We are deeply grateful for the comfort and support they provided.

As we honor their memory, we also remain committed to supporting one another. Moments like these remind us how important connection and care are within our community.

At the same time, we would like to extend a warm welcome to Tanner, who has recently moved into 14th Street. Transitions can be both exciting and challenging, and we are glad to have him join us. We look forward to helping Tanner feel at home and becoming part of the connections that make this community special.

In times of both loss and new beginnings, we continue to stand together supporting one another, remembering those we've lost, and welcoming those who are just beginning their journey with us. We know Kevin is up in heaven playing slot machines, bowling, and spending time with the loved ones that he has now been reunited with.

As we move forward together, we're also reminded of the gentle shift in the season. With warmer days ahead and more time spent outdoors, there are opportunities for renewal, connection, and small moments of joy. We hope this change brings a sense of comfort and light to everyone in our community.
