It's the most wonderful time of the year! Everyone had a great time this month getting into the Christmas spirit and getting ready for the holidays. It was a busy month as the ladies spent time Christmas shopping, wrapping their gifts, decorating and mailing Christmas cards, and exchanging gifts with each other. The ladies also participated in Jesus Cares and enjoyed going out to eat.

Catherine participated in many fun activities this month. She attended church with help from her church friends, attended the Aktion Club Christmas party, and played bingo. She was able to visit her friend Mary and they were able to celebrate Christmas together with their friends in Hastings. Catherine also had a Christmas celebration with her nephew and his family. She was able to enjoy a delicious meal at Port 104 and even had a treat from Dairy Queen.

Patricia had a great month visiting with friends and family. She took a trip out to the farm to visit with Diane and Jimmy. Patricia was able to celebrate Christmas with her family at her nephew's house. It was great being able to spend time with family for the holidays. She was also busy getting out and about to enjoy a meal at Port 104, Kelly's Lake House, and a treat from Dairy Queen.

Charlie was able to participate in some holiday activities this month. She was able to attend the Aktion Club Christmas party and celebrate Christmas with her family. She enjoyed getting to spend time with them on her break from work. She was also able to get out and see a movie and The Nutcracker play in Rochester.
